FPTA Summer Fair and appeal for help

Next week is our Summer Fair! There will be a wide range of stalls and fun activities for all to join in. The children will come to the Fair during the afternoon and then families can come after school. Children are welcome to bring money into school for Friday afternoon. Our FPTA are appealing for helpers as so far we only have a couple of offers and cannot run the fair with such little help. **PLEASE can we have some more helpers—even if just to come along on the day and run a simple stall.**

Over the past couple of years alone, our FPTA have subsidised class trips for every child in the whole school, **donating £20 per child** meaning some trips have only cost £5 instead of £25! They have made donations towards buying new ipads for the children, Christmas presents for the children and class treats, as well as regular treats for class parties, Year 6 leavers gifts etc.

Can we also still appeal for any raffle prizes—this can be great advertising for local businesses!
